PRACTICE DISCLAIMER.

Mayday Yoga LLC products offer **TCTSY** as one way to support your everyday wellness... not intended to treat any health condition. Only you or your health provider can determine if participating is right for you. The practice of body awareness might activate distressing sensations, non-sensation, or thoughts to the forefront of your mind or body. It is highly suggested you have someone you can trust (i.e. friend, coworker, therapist, or family member) to possibly share your experiences with. Due to scope of practice, professional boundaries must remain within the lines of trauma-informed yoga facilitator, and not as a counselor.

ASSUMPTION OF RISK.

By downloading and engaging with this product, you state that you have been cleared by your health provider to practice trauma-informed yoga and can do so without causing any harm/injury (physical, mental, emotional or spiritual) to self or others. You also state that you are voluntarily participating with full knowledge of risk to personal injury, property loss, or death. Lastly, you agree that neither you, your heirs, assigns or legal representatives will sue or make any other claims of any kind against Mayday Yoga LLC or owner for any personal injury, property damage/loss, or wrongful death.
